

A Networthy Item

24/2/2009

I terminated the section “Networthy Items” on my website some time ago. However, this tragic-comic parody of TARP is a piece that I can’t resist linking for others’ attention, if only for us all to have a laughing break during a nervous time like the present:

http://home.att.net/~mlnj2/bailout_in_a.pdf

I suppose no translation of the Japanese on the first slide is need.
